## PRAYERS

God of peace, we pray for Ukraine and Russia, for civilians under fire and for leaders seeking a just end to war.

God of shelter, be close to families across the United States affected by deadly winter storms, ice, and power cuts.

God of wisdom, we pray for the United States and its relationships with other nations, that tension may give way to dialogue and restraint.

God of mercy, we pray for civilians in Gaza and Israel, for the injured, the bereaved, and those still waiting for peace.

God of justice, protect journalists, aid workers, and human-rights defenders facing danger for telling the truth.

God of care, we pray for people in the UK struggling with rising costs, stretched services, and uncertain work this winter.

God of healing, be close to UK communities responding to accidents, violence, and sudden loss reported in the news this week.
